Writ Petition No. 1340 (SS) of 2004

Hon'ble M.M. Ghildiyal, J.

Heard Sri L.K. Tiwari, learned counsel for the petitioners and learned Standing Counsel.

By means of this writ petition, petitioners pray to issue a writ in the nature of Mandamus directing the respondents to strictly observe the 1983 Rules in the matter of required eligibility qualifications for the post of Assistant Teacher (Physical Education).

The contention of the petitioners is that in the advertisement respondents have prescribed the qualification which is against the Rules. Learned Standing has submitted that it was a misprinting which is corrected by issuing corrigendum on 6.11.2004 in newspaper "Danik Jagran".

Now, there is no grievance of the petitioners against the advertisement.

In view of the above the writ petition is dismissed as infructuous.
